Intellectual Property and Technology Law Reviews and Newsletters

Maintained by Matthew Braun
Reference/Intellectual Property Librarian
Last Update: August 28, 2007

This list of IP and Technology law journals and newsletters has been prepared primarily for use by the students, faculty, and alumni of The George Washington University Law School. For publications available in hard copy in the Jacob Burns Law Library, bound volumes are located on Stack Level 1 (SL1) unless otherwise stated; current issues are held on reserve at the Circulation Desk.

Availability on LexisNexis and/or Westlaw is noted. Direct links are provided to journals available in HeinOnline or on the Internet. An asterisk (*) following a title indicates that the Library does not have the print edition of a given publication, but instead provides some form of electronic access. Detailed holdings information for specific titles can be obtained by checking JACOB, the Library's online catalog: <http://jacob.nlc.gwu.edu>
