TO THE HONORABLE JOHN F. O'CONNELL, JUDGE OF THE PROBATE COURT OF COOK COUNTY, ILLINOIS:

The undersigned, ALLEN DAVY, being duly appointed and qualified as administrator de bonis non with will annexed of the last will and testament of William Wallace Hill, deceased, respectfully shows to this court that the following is a true, complete, and perfect inventory of all the unadministered estate of said decedent, real, personal, and mixed, which has come into the hands, possession, or knowledge of the undersigned.

The value of said undivided one-quarter (1/4) interest is not in excess of . . . . . \$ 15.00

The interest of and included in the estate of William Wallace Hill in said copyrights, renewal copyrights, rights, claims, demands and causes of action was stated in the original inventory to be an undivided one-eighth (1/8) interest. The undersigned has since been informed by counsel that there is a possibility that the interest of said estate in said copyrights, renewal copyrights, rights, claims, demands and causes of action may be an undivided one-quarter (1/4) interest instead of an undivided one-eighth (1/8) interest (depending upon the legal effect of the copyright renewal applications) and he therefore has inventoried the larger interest. The undersigned has also been informed by counsel that there is some question whether the estate of William Wallace Hill has and whether there is included therein any interest in the above described copyright renewals taken out after the death of William Wallace Hill and he therefore has included said renewals in this inventory. The undersigned has further been informed by counsel that there is some question whether the interest of and included in the said estate in said copyrights, renewal copyrights, rights, claims, demands and causes of action is equitable, or both legal and equitable, and he has therefore included in this inventory both

the legal and equitable undivided one-quarter (1/4) interest in said copyrights, renewal copyrights, rights, claims, demands, and causes of action. This amended and supplemental inventory is supplemental to the previous inventory filed herein by the undersigned and is in amendment thereof so far as it is inconsistent with and qualifies the statements made in that previous inventory.
